Fern Avenue School Plans Registration

Fern Avenue School is holding its summer roundup of kindergarten pupils next Monday, Aug. 30, from 8:30 a.m. to 3:00 p.m. at the school. All those entering school for the first time this semester are asked to come during these hours for a physical examination. Cards are being sent out to as many parents as possible.

Dr. Markham, the school physician, will give the examinations. Mothers should accompany their children to help in giving the child's case history, and the birth certificate also will speed registration.

A tentative date of Sept. 1 has been set by president, Mrs. V. T. Vanderpool for the first board meeting. Members will be notified.

A membership drive at the school is planned, to open Sept. 27 and run to Oct. 8. Mrs. J. Boucher and Mrs. T. H. Herrin are chairmen of this drive.

TORRANCE ELEMENTARY SCHOOL ROUND-UP SET

Kindergarten pupils who will be attending Torrance Elementary School this fall should be enrolled on Sept. 1 from 8:30 a.m. to 3:30 p.m., according to a reminder issued this week by the P.T.A. members who comprise the "summer round-up" committee.

The P.T.A. members who are assisting in the roundup are Mrs. Kenneth Becht, Mrs. Vera Barlow, Mrs. Katharine Curtis, Mrs. Edwin Hill and Mrs. Kenneth Russell. Assisting them will be Joanne Thienhaus and Joy Oursler.

While school will not actually begin until Sept. 13, it is necessary to enroll kindergarten pupils before the start of school in order to assign them to either the afternoon or the morning sessions, it was explained.

elbow and rib, and multiple cuts and abrasions.

Patricia Reed, 16, of 806 West 220th street, fractured clavical, concussion, and multiple cuts and abrasions.

Donald Betts, 20, of Los Angeles, concussion and cuts and bruises.

Lola Burton, 16, of Roscoe, cuts and abrasions.

Patricia Wain, 16, of Culver City, cuts and abrasions.

According to witnesses, Jess Grear and his wife, of 716 Amplea, and Mrs. Ruby Byrd, of 2107 Carson street, Anderson was attempting to pass a car on the left hand side of the road when he crashed head-on into the car driven by Serieto. Police reported finding opened and unopened bottles and cans of beer in both cars.

Possibility of an inquest awaits the completion of an investigation of the crash, police said.

Anderson's body was taken to the Stone and Myers mortuary from where the body was shipped to Pikeville, Ky., where the youth's mother, Mrs. Mary E. Anderson, is visiting.

He is survived by five brothers—Russell, Hansel, Eugene and John, all of Torrance and Alec of Ysalanti, Mich. Also surviving are two sisters, Mrs. Harry Massie of Torrance, Mrs. Velma Charles of Pikeville, and an uncle, John Justice of Torrance.

The body was shipped to the J. W. Call and Sons mortuary in Pikeville where funeral services will be held on Saturday. Anderson was employed at the American Rook Wool Co.

The back window of the modern automobile gets dirty because fast driving creates a vacuum which pulls dirt onto it. A clean rear window will provide greater safety and allow better rear vision.

Keeping of one's own headlights properly adjusted will make the glare of the lights of oncoming cars less dangerous.

State law requires that children be at least 4½ years old before starting kindergarten, any child four years old as of last March 1 is eligible to be in kindergarten this fall, school officials said, and those who will attend the Torrance elementary school should enroll Sept. 1.

Birth certificates for the children should be brought along at the time the children are brought in Sept. 1, it was explained, as this will facilitate registration.

Like wise, all first-grade pupils who will be attending Torrance elementary school this fall should be enrolled on Sept. 1 if they were not previously enrolled in kindergarten at this school. State law requires that pupils be 5 years of age as of March 1, 1948, in order to enroll in the first grade this fall.

Children of school age who live in Torrance Manor are to attend Torrance elementary school if they are any of the first six grades of kindergarten, school officials said. Bus transportation will be provided.

Perry School Sets Round-up

Children in the northwesterly section of Torrance who will be starting school for the first time this fall, should be registered at the Perry Elementary School next Tuesday morning, Aug. 31.

Mrs. W. A. Gunter of the Perry School P.T.A. said that Dr. George Markham, the school physician, would be present to give the examinations from 8:30 a.m. to noon. Anyone wishing to take advantage of this and who would like transportation may call FR-46627 or FR-42684, she said.

Arrangements also may be made at this time for mothers to join the Mothersingers, which is under the direction of George Zavislan, school musical director.
